

With Open Eyes accelerates the sharing and teaching of the Good News of Jesus Christ to the unreached and underserved people of the world.

With Open Eyes trains nationals to reach their communities with the Gospel through Biblically sound training and church planting. The purpose of this ministry is to equip indigenous pastors and leaders with transportation and other resources to preach the Gospel to under-evangelized, remote communities that are hard to reach on foot. These Mobile Messengers of the Gospel compassionately care for disciples and unbelievers alike by meeting physical & emotional needs, providing Bibles, medical care, and a strong support network. They are deeply focused on reaching the lost and making disciples to fulfill the Great Commission call from Matthew 28:19.

As of today, With Open Eyes has equipped over 1,000 pastors with motorbikes to reach areas of East Africa and South Asia, and planted over 2,600 churches.
